From Fr. Havel...

In the midst of the storm the disciples wake Jesus from sleep and said “Teacher, do you not care that we are perishing?” Jesus then calmed the sea and asked the disciples, “Why are you terrified? Do you not yet have faith?”

We too are called to trust in the Lord. In a world where life may seem at time to be out of or control the natural response may be to be afraid. Like the disciples fear may take control of our lives. What is needed is trust in God. As people of God we should always pray for an increase of faith. Through the good days and the bad God has promised to be with us and care for us. The world we live in may at times feel almost out of control, but God is always present and all things are possible with God. Come Lord Jesus and bring peace to troubled hearts.

~Fr. Greg

Catholic Life

The Burial of the Body or Ashes

When there is a death the funeral liturgy can be celebrated with the body of the deceased or ashes present. It is our faith that everyone deserves to go to judgement with the prayers of the Church. The body or ashes should be buried in anticipation of the resurrection. The body of our loved ones, or their ashes, deserve to be treated with respect and should not be thrown out. Grant all who have died, O Lord, eternal rest. Amen.

Scrip is available! Please call 553-5391 Email: scasimir@bevcomm.net. Or stop into the Church Office.,

If you would like Holy Communion brought to you , please call the Church office 553-5391.

St. Casimir’s School Update

So, here we are at the end of the school year... and what a year it has been!!! With all the uncertainty we have been through, the Early Childhood program which includes the prekindergarten and preschool students has had a pretty awesome year😊.

We just finished up a unit for “Earth Day” which included a lot of “The Lorax” activities. Besides reading the book, we made our own Lorax’s and talked about how they can help have a cleaner and safer world!!!

This week we are doing a unit on “The Very Hungry Caterpillar”, and the kids are loving it!!! We’ve worked on multiple activities that go along with the story line, such as counting caterpillars, learning our days of the week and feeding our caterpillars....LOTS and LOTS of food!!!

We also have our Knights of Columbus Marathon field trip coming up when we are going to Bounce Town and Sibley Park....the kids can’t wait!!!! They get to bounce their little hearts out, then off we go to Sibley Park to eat our lunch and play at the playground. Everyone should be worn out after all of that excitement!!!

I am so proud of everything that the preschool/pre-kindergarten students have learned and am so happy to see how far they have come since the beginning of the year. I will genuinely miss each and every one of them. But for now, I still have them for a couple more weeks... so I will enjoy every minute while they are still with me😊.Have a safe and happy summer, everyone!!!

God Bless,
Angie Swehla (Early Childhood Coordinator)
