PRAYER & WORSHIP

On Good And Evil ...

So the woman saw that Tree looked perfectly good for food and was quite irresistible to the eyes. Then she thought of all the advantages of having that much wisdom. And so she plucked off some of the fruit and ate it. And she also gave some of it to her husband who was right there with her, and he ate it, too. (Genesis 3:6)

The whole human race becomes easy prey for Satan when Right and Wrong, Good and Evil, are reduced mere matters of individual opinion and personal taste. We become ripe for deception, then. We become helpless in the hands of the deceiver. We have to remember; Satan is above all a liar. He makes poison look delicious, treason looks desirable and the impossible appears to be within easy reach.

When each individual serves as his or her own authority in moral matters, Satan can just pick each of us off one by one and pretty soon he has the whole of humanity under his control. It becomes even easier for him when humanity's collective wisdom; that of the whole human culture falls prey to deception and serves as its own value system, making Good and Evil a matter of popular consensus. Who can resist that? How can it be wrong if both Adam and Eve are doing it? If everybody agrees that something is good to do, how can it be wrong?

Satan really doesn't care if disillusionment sets in later, if the deception becomes obvious with the passage of time, if we turn the whole human race into a collection of cynics. All that has to be done is to get people to forget that there is a God; that Good and Evil can be defined by anyone else but themselves, and you have the whole human race trapped. As long as humanity is able to keep God out of the picture and the basic animal creature desires of the human person at the center, as long as creatures keep acting like creators and flee from the truth as if it were some king of bondage, they will never escape from their bondage to Satan. Isn't it ironic? He will have the human race hooked, because they will all think they are free.

It is the truth that sets us free. For us as Christians, we believe that truth is a person: Jesus Christ.

Happy Sunday!

A Diocesan Prayer for Vocations
Heavenly Father, Giver of all good things, your Son told us to beg You to send workers into Your rich harvest, and so we have the confidence to ask You to raise up an abundance of priests in the Diocese of Winona-Rochester. Send us good and holy men to respond to your call to lay down their lives in service to Your people. We know that the Church comes from priest to build up Your Church, through Jesus who is High Priest and Lord forever and ever. Amen
As a part of Winona-Rochester Diocese, the Diocesan Prayer for Vocations, we are to say this prayer every Sunday, praying for vocations. Please feel free to say on your own time. I will have it in the bulletin every week.

Lead Kindly Light: The Story of Saint John Henry Newman

This documentary follows the journey of John Henry Newman, an English theologian and cardinal who left behind prestige and security to follow the voice of conscience and embrace the Catholic faith. Shot on location in England, Ireland, Italy, and the United States, the film reveals a man who faced solitude and rejection, yet found true freedom in his faithfulness to God.

More than a biography, Lead Kindly Light - The Story Of Saint John Henry Newman is an invitation to clarity amid confusion—a call to live with integrity between faith and reason, and to rediscover, alongside Newman, that truth may cost us everything, but it is the only path to freedom.
